

The elevator at Russell Library will not be available for use from Monday, January 12 until Monday, February 9 due to a major maintenance project. Access may be limited except for the first floor. The staff will make every effort to assist people who are unable to access services, collections, computers, and rooms located on the 2nd and 3rd floors. We appreciate your patience and apologize for any inconvenience during this period. If you have specific questions or concerns, please call the library at 860-347-2528.
