

Bulk Waste Changes

Middletown is starting a new bulk waste program and will no longer be offering free bulk waste pickup. There is now a \$75 charge for each pickup.

This charge is applicable to all residents, including those within the City Sanitation District.

Residents can pay in person at City Hall in the Dept. of Public Works any weekday from 8:30 am – 4:30 pm. Payment can be given in cash, check, or credit card (Visa or Mastercard only). Payment by check can also be mailed to the Dept. of Public Works, PO Box 1300, Middletown, CT 06457. If mailing, be sure to include the location of pick up and contact information, including phone number.

Once payment has been received, the address will be placed on the list for pickup. Collection will occur within 1-5 days, so bulk waste should be placed at the curb prior to payment.

All acceptable items should be placed neatly at the curb in separate piles. Acceptable items included wood, metal, brush, furniture, tires (max of 4) and appliances. Electronics—TVs, computers, and accessories—cannot be picked up with bulky waste.

Do NOT include any hazardous material, paints, recyclables, regular household garbage, roofing or carpeting with the bulk waste. Only limited amounts of demolition or renovation material will be accepted. If unacceptable items are left at the curb, they will not be collected.

Each bulk waste pickup allows for a maximum of three truckloads per payment, but residents can order collections as often as needed.

Brush will still be picked up free of charge. Call 344-3511 for brush pick up.

Bulk waste collections will be suspended November to January to accommodate the leaf pickups. Also, collections are weather permitting January through March.
