

Middletown Swap Shack

The Swap Shack is a part of the Middletown Public Works Department. It was created as a way for residents to drop off unwanted items or pick up things others have left. The Swap Shack is located in the Middletown Recycling Center at 185 Johnson Street. The Shack accepts items such as clothing and shoes, utensils and household items, non-power tools, games and toys, infant goods, small artwork and decorative items, and knickknacks. When dropping the items off, please place clothing on the racks and other items on the shelves. Please do not leave furniture, garbage, junk, electrical appliances or tools, house or garden chemicals, rugs, building materials or rags. They cannot be accepted due to space constrictions and liability issues. The Swap Shack is open when the Recycling Center is; Monday through Friday 7:00am – 3:00pm all year, in April through June and September through November, every Saturday from 7:00am – 12:00pm; and December through March and June through August on the first and third Saturdays of each month, from 7:00am-12:00pm.
